WONDERFUL DAY.

#### A DAY AT THE RACES

A Day at the races can be terrific fun especially  
At Ayr - Scotland's Number One  
Top Trainers Jockeys and Equine Stars  
With Great Food, Restaurants and Bars  
We want you to enjoy your day and have a drink or two  
But one at a time cos doubles we don't do  
We'll happily refill your empty glasses  
Just ask one of our lads or lasses  
But we can't serve you if you have had more than a few  
Cos our liquor licence is important to both me and you
